

Dear Horse Owner,

Thank you for thinking of the Little Bits program as a possible placement for your horse. Currently Little Bits Therapeutic Riding Association does not own any lesson horses. We lease the horses at the Whitemud Equine Centre Learning Association where we ride. Some of the horses we use are lesson horses and some are boarder horses that are leased to Whitemud. Little Bits is able to select the horses that most suit our program.

If your horse is sound, quiet and trustworthy, both on and off lead, and would be able to work in both the Little Bits program and/or the Whitemud Equine Centre beginner lesson program for no more than 12 hours per week, then we may have a home for him or her.

Whitemud Equine Centre Learning Association is always looking for sound, healthy, well-trained horses for the facility. WELCA is a not for profit association. The centre will consider a lease arrangement with you, where you retain ownership of the horse and they will take on the care and custody according to their lease agreement. I also believe that you can donate the horse to the centre (so long as he or she passes their criteria for lessons) should you decide to do that. Please contact Lynda ([jonthevideot@shaw.ca](mailto:jonthevideot@shaw.ca)) or Sylvia ([sylviaerickson@telus.net](mailto:sylviaerickson@telus.net)) and they will follow up with you.

Once again I would like to thank you for thinking of Little Bits, and I do hope that you find a useful position for your horse.

Regards,  
Linda Rault
