

LITTLE BITS

THERAPEUTIC RIDING ASSOCIATION

for persons with disabilities

Dear Horse Owner,

Thank you for thinking of the Little Bits program as a possible placement for your horse. If your horse is sound, quiet and trustworthy, both on and off lead, and would be able to work in both the Little Bits program and the Whitemud Equine Centre beginner lesson program for no more than 12 hours per week, then we may have a home for him or her.

Whitemud Equine Centre Learning Association is always looking for sound, healthy, well-trained horses for the facility. WELCA is a not-for-profit association. The centre will consider a lease arrangement with you, where you retain ownership of the horse, and they will take on the care and custody according to their lease agreement. You can donate the horse to the centre (so long as your horse passes their criteria for lessons) should you decide to do that.

Please contact Linda at info@littlebits.ca and she will follow up with you. Once again, I would like to thank you for thinking of Little Bits, and I do hope that you find a useful position for your horse.

Regards,
Linda Rault
Riding Program Administrator
